

# Product Data Sheet

Product description	Zigbee 70mm smart full colour downlights	
Brand	EyZEE	www.eyzee.au
ID number / Model	DL01-02-05-F-ZB	
Connectivity	Zigbee	
Wireless protocol	IEEE 802.15.4	
Preferred Phone App	TUYA Smart Life	
App requirements	iOS or Android	QR code >>>
Works all major Voice Assistants	YES	
Works with Home Assistant (HA)	YES	
Works with Apple HomeKit via HomeKit Zigbee hub	YES	
Technical Specifications:		
Ceiling cut-out diameter	70mm	
LED power	5w	
Lumens	400	
Supply voltage	AC 200-240V 50/60Hz	
Lead length with AU Plug attached	600mm	
Weight		
Dimensions (Outer rim dia x Height)	92mm x 55mm	
White colour temp range	3000k - 6000k	Via App
RGB Colour range	16 million+	Via App
Dimmable	Yes	
IP Rating	IP44 below ceiling	IP20 above ceiling
IC Rating	IC-4	Insulation can contact
CRI Rating (colour rendering index)	80+	
Beam angle	90 deg	
Estimated life span	30000hrs	4 hours day for 20yrs
Reset network pairing process	Turn off/on rapidly 5 times Light pulsates gently when in pairing mode	
Location of EESS compliance folder	<a href="https://smarthomesmatter.com.au/pages/links">https://smarthomesmatter.com.au/pages/links</a>
